

SHOTS Operator Task list 2018 Championship Season

Task list

When warm-up starts (approx -40)

1	Perform a check on the laptop: make sure it's running, connected to power, that you can login to Gemini Light
---	---

Right AFTER the start of every Period

1	Wait for FACE-OFFS Operator to confirm that Orion opened the period
2	Open GEMINI LIGHT window, or if already open click F5 to refresh the page
3	Select the SHOTS button
5	Check period number is correct

Shot recording procedure

1	Enter every shot according to the agreed definition
2	Click on 'Save' after entering a shot
3	Every now and then, check together with SHOTS Spotter everything is ok and make necessary corrections

Goal procedure

1	Wait for FACE-OFFS Operator to confirm the scorer from Orion
2	Assign the shot to the correct player (as soon as Orion entered the goal, it will also show up in the GF column)
3	Communicate "Plus/Minus" through the chat to Orion (<i>in case plus-minus is collected in the Stats Bench</i>)

Right after end of each period

1	Check together with all Spotters everything is ok and make necessary corrections
2	Close GEMINI window
3	Communicate to the FACE-OFFS operator that you are done
4	Don't modify anything anymore!

End of Game

1	Give all your paper backup forms to the Club Results Manager
---	--

After Goalkeeper substitution or Goalkeeper out

1	Wait for FACE-OFFS Operator to confirm that Orion recorded the change
2	Press F5 to refresh
3	Select the SHOTS button

Exceptional situations

Penalty Shot

1	In case it's scored its shot should be registered as for a normal Goal
---	--
