IIHF Social and Environmental Activities Working Group

2018/ 2019 IIHF SUSTAINABILITY AWARD Application Form

Application Deadline	15 December 2018
Nomination of best projects	January 2019
Award Ceremony	May 2019

Sustainability Award winner	10'000 CHF
Two other Nominees	2'000 CHF

Please send in your idea till latest 15th December 2018. If your event didn't take place by then, the IIHF Social and Environmental Working Group will monitor the implementation of the project and control the execution. The best 3 projects will be nominated in January 2019 and the winner of them will be announced at the Annual Congress in Slovakia in May 2019.

All ideas will be reviewed by the Committee and the nomination depends on the idea, the local conditions in the country, the difficulties of implementation, the individual requirements and other relevant factors. The goal is to compare not only the creativity of the project, but also include the conditions and standards of each country into the valuation.

Please send in as many information about the project as possible (pictures, videos, info material, maps, presentations, etc). Pictures are necessary for the documentation.
